The 'Happy Walk' is a fund raising activity for the school, funds raised assist in providing resources for our school/children.

- The maximum number of laps completed by an individual is twenty (20).
- The students are allowed to rest in between laps.
- A teacher marks off each lap completed.
- The number of laps completed will be recorded on a separate sheet, and then attached to the sponsor sheet with amount owing.
- The student then collects the monies owing: the sponsor signs. After the money has been collected, the student hands the completed form with the money \(\text{in a sealed envelope, don’t forget to write your name on your sponsor sheet to be eligible for prizes}\) to the teacher or in the P&C slot at the front office.
- All the children are encouraged to participate in the 'Happy Walk'. If for any reason, i.e. medical, your child is unable to take part, please return the sponsor sheet with a note or contact the classroom teacher.
- It is requested that parents guide children’s selection of sponsors, as we do not encourage children to canvass door to door.
- Children are encouraged to come along dressed in their sports shirts and enjoy a fun filled day.
- \text{All children to bring their own drink container, filled with water.}
- All children who participate will receive an icy pole.
- On return of completed sponsor forms and money, students who raise over $10 will go into a \text{Bike or various sports balls kindly donated by Mr. Paul Papalia} \text{CSA. MLA. Students who raise over $50 will double their chances in the draw. There will also be some small prizes to acknowledge the students who raise the most money per year group.}
- Please return all money and forms by the \text{Wednesday the 27th April 2016} to be eligible for the prizes.
