• Buy in bulk and pack into lunchbox containers.

• Keep paper that can be used again.

• Re-use recyclable materials in the class e.g. use boxes/bottles in craft activities.

• Put fruit and veg scraps in the compost.

• Group of students picking up rubbish to help the environments "The Environmenters!"

• Have a box for recyclables in the classroom.

• A Rubbish Monster = stick rubbish (e.g. museli bar wrappers) on the monster in the class to show how much we use.

• Donating things in pantry that haven't or are not going to be used.

• Have a box in the class to put food scraps into e.g. bread crusts, crackers = give to pets (birds, dogs...).
