Term: 25/06/2017 – 25/06/2020  
25/06/2014 – 25/06/2017

I am a school Board member and currently serving my second, three year term. I have been an employee at Comet Bay Primary School for nine years and have worked in the Department of Education for eighteen years. I have been a community helper in the past by being involved with the Peel Thunderbirds Football Club and the Secret Harbour Dockers Football Club. I live in Secret Harbour and love our community spirit. Being a representative on our School Board I bring honest, unbiased and respectful support to the Board.
