Hello, I am Hazel Herd and I have been teaching at Comet Bay Primary School for 3 years. I teach Year 4/5 and am currently the Team Leader and English Coach. I am from Edinburgh, Scotland and have lived and worked in West Australia for 8 years. My family and I became Citizens in 2015 and are all very proud Australians! I have 3 grown up sons, 1 lives here in Australia while my other 2 sons still live in Scotland.

I have taught in a variety of educational settings both in Scotland and here in West Australia as a classroom teacher of all levels and as a Learning Support Co-ordinator. I am passionate about public schools and the provision of excellent education for all children. Since its inception, I have been a volunteer of the CBPS Breakfast Club, volunteer at Kiss n Drive, and served on the Year 4/5 Comet Bay Professional Learning Community, which has enabled me to engage with all students, parents and the wider school community. I look forward to representing the school staff's ideas/views and providing feedback to the School Board at a strategic level, as we continue to educate the *whole child* at Comet Bay Primary School.

Hazel Herd
