# Learning Journey

“Making Learning Visible”

Your child would like to take you on a guided tour of their learning journey so far this year.

Classrooms will be open as follows:

**4.30pm-6.00pm** Kindy students

**5.00pm-6.30pm** PP to Year 6 students

*You may visit your child's classroom and specialist areas in the school at any time during these sessions.*

As always parking will be congested. Please be considerate of our neighbours and refrain from parking on their property. We encourage as many families as possible to walk or ride. The oval will be made available for parking.

We will NOT be holding a sausage sizzle this year.
