

Dear Parents/Carers

Comet Bay Kitchen Garden Program 2021

We are pleased to announce that we will be offering our program once again in 2021. I would like to highlight to all families that the school receives no funding for this program and self-funds all of the wages and consumables needed. Whilst the school is keen to continue with this program we are again seeking support and a small contribution towards running costs.

This year we are requesting that all students who participate in the program pay \$30 for the year which will include a minimum of 2 visits per term. Students who have not contributed towards the program by the end of Term 1 will be provided with an alternative program. Please return the attached envelope confirming your payment method no later than 1st April. Our preferred methods of payment are;

- Direct deposit to our school bank account BSB: 016 375 A/C: 493683283 using student surname, year and CBKG as reference.
- Via our website www.cometbayps.wa.edu.au – online payment – select Kitchen Garden Program from the drop down list.
- By EFTPOS facility in the front office or
- By using your child's credit on account. (please return the attached envelope to action)

If you have any further questions regarding the program, please do not hesitate to call the school. I look forward to catching up with parents throughout the year in the kitchen or garden.

Yours faithfully

Graeme Watson
Principal
