

Messy Mud Day Experience

Dear Parents/Guardians,

On **Thursday 4th April** the Penguin, Starfish and Turtle Kindy groups will be participating in a **Messy Mud Day Incursion**.

This incursion will be run by Nature Play Solutions and provides an ideal opportunity to engage children in a unique and fun play activity, which reflects our play based teaching philosophy at Comet Bay. The Nature Play Solutions 'Messy Mud Day' is a sensory thrill as children are allowed the freedom to make a mess. This can be quite a challenge for some children, though a very important part of childhood development.

In order for your child to get the most out of this experience could you please ensure your child comes to Kindy with the following on the day:

- Send your child to school dressed in old clothes that will be ok for them to get messy and muddy in. This includes a wide brimmed hat other than their school hat and footwear if your child does not want to participate barefoot (eg, gumboots). If your child will be ok barefoot please ensure your child has their regular shoes on when they arrive at school.
- Ensure you pack school uniform for them to change into after the incursion is complete.
- Bring a towel and a plastic bag for muddy clothes.
- **Please ensure that all of your child's items are clearly labelled with their name.**

The cost of the incursion will be **\$9.00**. We will require payment by no later than the **1st of April**. Please complete the attached permission slip and return it with payment in the attached envelope to your child's teacher on or before the due date.

The Messy Mud Day Incursion will be an extremely rewarding activity for the students. We look forward to having a fun filled day with many memories that will be shared and hopefully some more lasting memories created.

Thank you for your support.

Mrs Brooke Jones, Mrs Kellie Howes, Mrs Carissa Thompson
