

**Re: Year 6 Camp 2022**  
**Wednesday 24<sup>th</sup> August – Friday 26<sup>th</sup> August 2022**

Dear Parents

Thank you for your patience while we finalised plans for our alternative venue local camp to Swan Valley Adventure Centre.

**Costing**

This camp will cost \$455 for students to attend. This figure represents great value for money for parents and will ensure our students are exceptionally well catered for with an abundance of quality food, comfortable accommodation and a full range of exciting activities to keep them engaged and occupied each day and into the evening.

**Camp Jacket**

Today, students were sized for their camp hoodie jacket. We have chosen your child's jacket size based on the fact it will be winter and they will likely have bulky clothing underneath. The arm length is long which will help their hands stay warm.

A note has been handed to your child to give to you, advising the size that has been chosen today. It is anticipated jackets will arrive towards the end of Term 2 and will be handed out to all fully paid students when we receive them. Students will be permitted to wear them to school prior to camp, but will be required to keep them clean and in good condition to wear on camp.

We do not purchase spares so you will need to add your child's name to the jacket and remind your child not to take it off and leave it somewhere.

**COVID-19**

Please note, as previously indicated, we are bound by Health and Department of Education guidelines. Plans may change or be altered if required due to the current situation with COVID-19 closer to the date of camp.

Yours sincerely  
Graeme Watson
