

Dear Parents/Caregivers,

During Week 6, the Pre-Primary to Year 6 students will have the opportunity to attend Scitech's incredible '**Physical Sciences Show**'. This is a fun hands on science show where students will learn about the nature of force and motion. After watching the show, the students will then partake in an interactive workshop where they will conduct their own Physical Science investigations.

The incursion will run from Monday the 24th May to Wednesday the 26th May. The Pre-Primary to Year 3 students will be participating in the '*Move It - Physical Sciences*' show, while the Year 4 to 6 students will be attending the '*Prove It - Physical Sciences*' show. These presentations are directly related to the Australian Curriculum and are a wonderful way for students to consolidate their Term 2 science understandings of 'Physical Sciences'.

DATES: 24th - 26th May 2021

COST: The cost of the incursion is \$6.00

Please complete the attached permission slip and return it with payment in the attached envelope to your child's teacher on or before the due date. We will require payment by no later than 14th May 2021.

Thank you for your support,

Julie Pages Oliver (Senior Science) and Vanessa Kettlewell (Junior Science)
